

APTA Tennessee - Reviewer's Evaluation Form for Course Approval for Jurisprudence Courses

Course Name _____

Course Number _____

		CRITERIA DETAIL
<u>YES</u>	<u>NO</u>	Reviewers: Evidence submitted by the provider is sufficient to determine that the following criteria are met: (Objectives alone are not sufficient to meet these criteria)
		The course content is a minimum of two (2) contact hours* specific to jurisprudence for Tennessee (TN) licensed physical therapy practitioners.
		The course has specific objectives that are clearly stated and that identify the knowledge/skills that the participants should acquire by the end of the course.
		The course content is consistent with the objectives and with the instructional level identified on the application as evidenced by a comprehensive outline, copy of entire course content, or thorough synopsis of course content, and includes content in each of the following areas:
		1) education from the most recent version of the TN Practice Act (TCA 63-13, parts 1 and 3)
		2) education from the most recent version of the General Rules Governing the Practice of PT as noted in Chapter 1150-01- <u>all sections</u> **
		3) education on current Board of PT Policy Statements
		A course schedule is provided and is consistent with the contact hours requested. Mergener formula is provided if course is a home study course.
		The reference list for the course verifies the use of relevant and contemporary resources appropriate to the content in the development of the course.
		The course includes instructional methods that are appropriate to achieve the course objectives.
		The CV(s) of the course instructor(s) demonstrate(s) the qualifications and credentials appropriate for the teaching of the content area of this course.
		Achievement of the learning objectives is assessed with an examination of a minimum of 10 questions. The benchmark used to reflect a successful pass rate is provided. (Correct answers are provided for the reviewer to confirm.)
		The evaluation form that the participants must complete upon completion of the course is appropriate. If the course is virtual, the process for evaluation must be described.
		A sample of the Course Certificate of Completion is provided and confirms attendees' name, course title, date, provider name, contact hours, and a space to insert APTATN approval number.

**Minimum content requirements include: licensure, scope of practice, disclosures, disciplinary offenses and actions, supervision
